The LUXMARINA Group is a French Maritime Design Company exporting their Yachting & Maritime knowledge throughout the world.

LUXMARINA, through our local companies LUXMARINE-ME (Middle East) and LUXQATAR (Doha based technical and design office) are currently designing and creating some of the most beautiful and technically superior marinas in the Middle East and beyond.

Our services portfolio also includes a complete range of private marina, harbor and port management solutions in compliance with IMO and ISPS regulations.

LUXMARINA offers expert technical analysis, design and build consultation and high-end solution provision for any commercial or private maritime requirements, worldwide.

LUXMARINA... We Create.. You Enjoy..
